

California Department of
State Hospitals

Now Hiring:

Electronic Health Record (EHR) Project Director

The California Department of State Hospitals (DSH) is actively looking for qualified candidates to join our team as the Project Director for our transition to Electronic Health Records (EHR). If you're looking to advance your career in an exciting and unique environment, while enjoying a competitive salary, world-class benefits package, and excellent work-life balance, we're looking for you!

As DSH's EHR Project Director, you will work under the direction of our Chief Information Officer (CIO). You'll provide executive and strategic leadership to direct, manage and support DSH's EHR, and related projects, with updated technology broadly supported by the industry. You will recommend, develop, and administer DSH's EHR applications and infrastructure, and will direct the formulation and implementation of new technology services to meet the future needs of our EHR. Your responsibilities will also include the development of proposed policies and procedures related to the EHR, and you'll be responsible for determining the appropriate means of implementation and compliance of personnel. Finally, through partnership with a diverse groups of DSH leaders and stakeholders in many fields (including clinical, administrative, and financial), you'll provide oversight of the EHR to ensure that it operates in support of the Department of State Hospital's goals and objectives.

We invite you to join us in fulfilling our mission: caring today for a safe and healthy tomorrow. See below for information on how to apply!

Salary and benefits:

- **\$93,372 - \$163,884/year**
- Flexible workweek options
- Partial telework available
- Generous defined-benefit pension
- Medical, dental and vision benefits
- Retiree healthcare
- Located in Sacramento, at DSH's brand-new headquarters building on 12th and O St.

Please note: this position is pending CalHR approval

This position is classified as a "Career Executive Assignment (CEA)", meaning it is an appointment to a high administrative and policy-influencing position. The incumbent's primary responsibility is the managing of a major function; in this case, DSH's Electronic Health Records system.
